

STAR SPANGLED BANNER

English Lyric

O say can you see by the dawn's early
light

What so proudly we hailed at the
twilight's last gleaming

Whose broad stripes and bright stars
through the perilous fight

O'er the ramparts we watched, were so
gallantly streaming?

And the rocket's red glare, the bombs
bursting in air

Gave proof through the night that our
flag was still there

O say does that star-spangled banner yet
wave

O'er the land of the free and the home of
the brave
